

Authentic Portraits By Maurice

Realizing your possibility for authentic imagery

Sessions

- Session packages are designed to give value to all clients at different price points by controlling the volume of images and services. They are intended as a guideline. Our goal is to provide great quality irrespective of which package you choose. You will come away with our authentic, soulful storytelling. Sessions will take one to two hours. Clients will receive files on a thumb drive. After your selections the assignment will be completed within the week. A package with an album will take additional weeks.
- We target portrait sessions in the categories of: **individual and family, headshot/social media influencer and wedding/engagement**. Our goal is to enhance your unique qualities in portraiture.
- The **individual's photo session** includes: up to 2 hours of photo-taking, all color corrected images, 1 set of digital retouched image files, one designed, printed album, on location shoot, one outfit and unlimited rights usage at a cost of \$3099.
- The **family photo session** includes: up to two hours of photo-taking, all color corrected images, 1 set of digital retouched image files, one designed printed album, on location only, one outfit and unlimited rights usage at a cost of \$3950. This is designed for a family of 4.
- The **headshot/social media influencer photo session** includes: up to an hour of photo-taking, 20 color corrected digital image files, 6 high-end digital retouched image files, in studio shoot, one outfit and unlimited rights usage at a cost of \$799. This is a portfolio oriented shoot.
- We are proud to offer an **engagement/wedding photo-session** which includes: up to 2 hours of photo-taking at one location of your choice, 10 color corrected digital image files, 6 high end retouched image files, one small designed print album, two outfits and unlimited rights usage at a cost of \$1799. This is a creative photo-shoot. This package can be expanded to accommodate additional retouched images at additional pricing.
